

Cinnamon Mini-competition: Utopia Adjudication

We had a wonderful assortment of prose and poetry pieces. Thanks in particular to:

- Gwenda Major;
- Karen Robbie;
- Valerie Bird;
- Hayley Solomon; and
- Lynda Nash

for short fiction and poetry that ranged from poignant to hilarious.

Congratulations to **Ama Bolton** for the winning piece, 'Elsewhere', a finely controlled poem you can read online and which will also be included in our next poetry anthology, *In the Cinnamon Corners*.
